June 17th-20th (Thursday-Sunday): *DG's 64th Biennial Convention*

Great news - the BAC recently received the Five Stars to Alumnae Success Award! Thank you for all of your efforts! Lynn Ray will be attending the DG convention this month - keep an eye out for more updates in the next newsletter.

Get Involved!

The BAC is searching for a DG alumna to serve as Vice-President: Programming!

With the assistance of the board, the VP: Programming provides balanced programming that is both educational and enjoyable for alumnae in all life stages. BAC programming includes Foundation-related activities as well as opportunities to engage with collegians through collumnae events.

As noted in the Member Corner (see below), we will be looking for a new VP: Finance this summer as well - more details to come!

You can read more about these positions by looking at the Alumnae Officer Manual on myDG at www.deltagamma.org (under Alumnae Resource Center).

If you're interested in learning more about either position, please contact Lynn Ray at 617-767-1159 or president@bostondg.com.

Introducing...Member Corner!

Do you have any news that you'd like to share with fellow alumnae? The "Member Corner" will be a new feature in future issues of the BAC Cable Spotlight and Cable Connections. Just send your updates to Ameer Naik at communications@bostondg.com!

As our inaugural update - congratulations to **Erin Reale** (Alpha Epsilon), our current VP: Finance, who will be starting a new position in Milwaukee later this summer!

High School Grad Today, Sister Tomorrow

Do you know any young women who are graduating high school? As you help them celebrate this accomplishment, please consider completing a sponsorship form for them! It's never too early - fall recruitment will be here before you know it. Forms can be completed now and sent to EO. Please contact Megan Hollander, the City Sponsorship Chair, at 508-904-4108 or sponsorship@bostondg.com if you have any questions.

Now is also a great time to update your myDG profile if you're willing to sponsor! Just click on "Edit My Page" from your profile, then click on "My Profile" and select "Yes" in the "Willing to Sponsor" field!
